

Another donation to Good Samaritan

The Crabtree, Iron Duff, Hyder Mountain Community Development Club made another donation to the Good Samaritan Clinic as part of the Club's ongoing matching funds program. At its regular monthly meetings, member donations are matched up to a total of \$50 in club funds and given in rotation to local nonprofits that benefit residents from the Crabtree and Iron Duff communities. The Club and its members have donated over \$350 to Good Samaritan Clinic in the last year through this program alone.

"Good Samaritan Clinic touches and improves the lives of many of our neighbors," said Hank Kumpf, Crabtree-Iron Duff club treasurer. "We are proud to be one of several community clubs in Haywood

County with a program that supports this vital service." Kumpf also serves as treasurer of Good Samaritan Clinic.

The Crabtree-Iron Duff-Hyder Mountain Community Development Club is a 501(c)(3) nonprofit organization that was formed in 1992. Donations are tax deductible and support programs focused on assisting residents and projects in Crabtree and Iron Duff townships.

The group meets at 7 p.m. the second Thursday of every month in the Iron Duff Community Center on Tommy Boyd Road. Meetings are open to all interested residents and their guests. Visit www.crabironmountain.org.
